

## **Lac Bernard Lake 2011 Summer Clubhouse Report**

The clubhouse was very busy this summer with a total of TEN Bingos.

All Bingos were manned by a dedicated group of lake volunteers, who called the Bingo games for an hour and a half each Saturday night. They also sold canteen supplies to happy families made up of all ages and their friends.

Bingos were well attended with an average attendance of 25.7 per Bingo. The best attendance night was Regatta weekend's when 65 attended that Saturday night.

Expenses were for prizes and canteen supplies, revenues were from Bingo card and canteen goodie sales netting out to be almost \$300.00.

Other revenues came from our participation in the 50\50 draw at the Regatta, where we netted \$100.00.

A special Eco Planting Day seminar was well attended by association and other lake association individuals.

Two goals for the next season will be having the Clubhouse Committee:

- Approve the "Save the Clubhouse" donors plaque, which will be placed inside the Clubhouse
- Authorize the repair, re-building wooden inserts dock
- Installation and removal of the Clubhouse dock
- Discussion and decisions on the use of the clubhouse

Respectfully submitted
